Spotlight: Featured Artists at the Ohio Governor’s Residence

February – May 2017

"This art will challenge your notion of disability. We hope it inspires your own creativity and acts of inclusion.”

Erin Hoppe, Executive Director
About the Spotlight Program

**Spotlight: Featured Artists at the Ohio Governor’s Residence**
is a program created by Ohio’s First Lady Karen W. Kasich that
celebrates Ohio artists by showcasing a sampling of their
artworks in the Residence. The program enhances the ongoing
partnership between the Ohio Governor’s Residence and
Heritage Garden and the Ohio Arts Council (OAC). Since 1985
the OAC has assisted in placing artwork by Ohio artists and from
Ohio cultural institutions in the Governor’s Residence and
throughout the Vern Riffe Center for Government and the Arts.
The Spotlight program offers quarterly exhibitions at the
Governor’s Residence highlighted by opening receptions.
Spotlight artists are selected by First Lady Kasich with
assistance from the OAC. All Ohio artists are eligible to submit
their work for consideration. To be eligible for the program the
artist cannot be a student enrolled in a degree-granting
program and must be a resident of the State of Ohio. For details
